HI-

How's it going? I finally heard from Todd. He's going to write a memorandum to file that hopefully addresses what I asked him to elaborate on. I'm thinking it might be easier to sample again to document impact to the wetlands on the Lorraine side of the property. I do have a few questions that I need to ask CSC. Do you want to set up a conference call sometime this week?

Have you heard anything on access for American Recycling?

Talk to you later,

Kris
